Sales Activity

Multi-Purpose Unit for British Camps

Recently, we have just finished our shipment of Multi-Purpose Unit for British Camps in Afghanistan. These units are particularly designed to suit the requirement of British Army.

Order from the International Federation of Red Cross and Red Crescent Societies (IFRC)

Last year, our company have been awarded from the **International Federation of Red Cross and Red Crescent Societies (IFRC)** to design and manufacture the **transitional shelter for 17,000 units** to be delivered to Banda Aceh, Indonesia of which we could finish our delivery of 17,000 units within just only 6 months from the date of contract award.

We expect to receive new order from IFRC in this near future.
